

Don't play games with your cargo

Easily mitigate logistics-related
risks with Cargo Protect

What is Cargo Protect?

Shipping your cargo should be easy – so should dealing with unforeseen circumstances. Cargo Protect is a contractual guarantee that ensures quick and simple monetary compensation, should any harm befall your cargo.

Maritime law doesn't guarantee that your claims will be fully processed. With Cargo Protect's set terms, your cargo stays protected against potential risks during transportation.

Rest easy, with Cargo Protect.

Find the right package for your cargo

Select the right package with just a click before completing your booking on our E-Sea platform.

| Tier | Maximum Compensation* | Price/Shipment |
|---|-----------------------|----------------|
|  Basic | Up to USD 15,000 | USD 30 |
|  Core | Up to USD 25,000 | USD 45 |
|  Premium | Up to USD 50,000 | USD 60 |
|  Deluxe | Up to USD 75,000 | USD 75 |

*Maximum compensation will be limited to the invoice value of the goods but shall not exceed the purchased Cargo Protect tier amount.
