Date: 25<sup>th</sup> May 2025

Dear Valued Customers

**Subject: Launch of the Sun Chief Express (SCX)**

We are pleased to announce the launch of our new Sun Chief Express (SCX) service – a new direct service connecting Ho Chi Minh and Shekou to Seattle, WA.

The Sun Chief Express (SCX) will also provide wider coverage of Southeast Asia via Ho Chi Minh and Seattle. Leveraging intermodal solutions within the US market, we will provide inland connectivity via Seattle to locations across the US including, but not limited to Portland, OR, St. Paul, MN, Chicago, IL, Kansas City, MO, Columbus, OH and Memphis, TN.

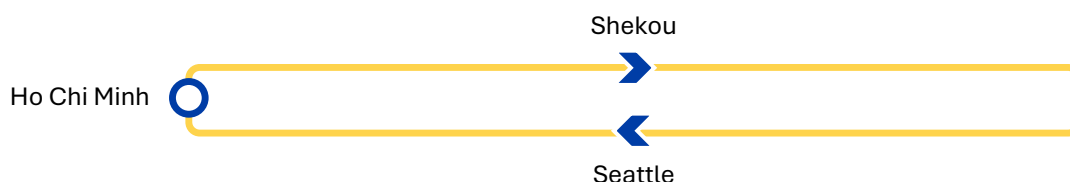

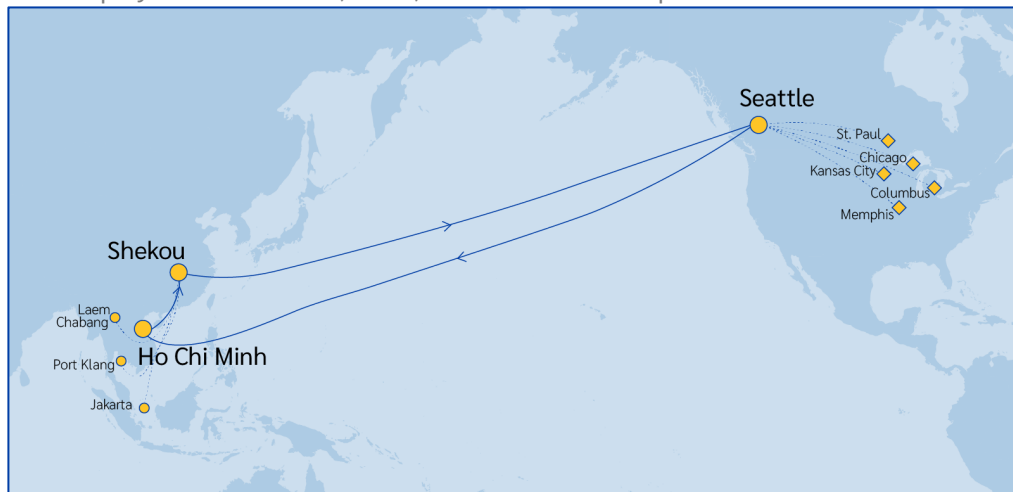

This marks an especially significant milestone for us, as we make our entry into the US market, coming on the back of our recent expansion to Mexico. The launch of SCX further enhances our strategic position in Southeast Asia, with direct links to the Middle East, Indian Subcontinent, China and now, the US.

**SCX service rotation:** Ho Chi Minh – Shekou – Seattle – Ho Chi Minh

Please refer to the attached brochure for more information about the new SCX service. Should you require further information, please visit our website (<https://www.emiratesline.com>) or contact your local customer service representative.
