Remarks:

- Demurrage and Detention Charges after free days will be calculated as per calendar days (i.e. including week-ends and public holidays)
- Additional charge after expiration of electricity free time for electricity usage: USD100 per container/calendar day

- Detention

Key Points (Seattle and IPI locations)

ESL USA Agency will bill the Import Detention charges using Genesis.

Import Detention charges are applied basis Gate out Laden from Terminal or Rail Ramp to Gate in Empty Depot (or Terminal/Rail Ramp if they have an on-dock empty depot)

- Demurrage

Key Points (Seattle)

The Terminal will bill Import Line Demurrage to the Consignee directly

The Import Line Demurrage will include Terminal Demurrage (storage)

Import Demurrage is applied based on Discharge Terminal Laden to Gate out Terminal Laden

Import Demurrage will NOT be filed in Genesis

Key Points (IPI Locations)

There is no Import Line Demurrage in Inland/IPI Locations

Rail Company will collect Import Rail Demurrage directly from the consignees as per their Tariff
