

Customer Advisory

Date: 28th March 2024

Dear Valued customers,

Subject: SRI LANKA INTRODUCTION OF PAP – PRE-ARRIVAL PROCESSING MANIFEST

We would like to express our greatest gratitude to your support to ESL especially on our Sri Lanka service. Below please find the latest announcement from Sri Lanka Customs for the launch of advanced manifest for import and transshipment cargoes. Appreciate your full support and coordination on Shipping Instruction meeting the regulations at destination.

INTRODUCTION

- Pre arrival submission of manifests (via new Asyhub platform)
- SLC (Sri Lanka Customs) to conduct risk analysts earlier to determine the inspection and release of cargoes
- PAP testing will start and with Parallel submission of Cargo manifest to SLC commence from 1st April 2024
- PAP will officially launch from **1st May 2024** and SLC will accept cargo manifests only through new platform ASYHUB

REQUIREMENT

- Scope: Local and Transshipment Containers
- Manifest Submission Deadline: at least 72 hours before ETA Sri Lankan ports
- Our POL offices will set up SI Cut off and BL Confirmation timeline based on vessel schedule
- Any delay and incomplete manifest will lead to ROB (Retain on board) and heavy penalties
- Manifest amendment will be considered by SLC before vessel arrival at the test period
- After official launch, all manifest amendment is subject to approval and costs of ESL and SLC

Please do not hesitate to contact our local Agencies for further assistance, or you can visit our website at <https://www.emiratesline.com/> for detailed schedules and cargo tracking. We greatly appreciate your understanding and look forward to continuing our partnership with ESL.
