

## Customer Advisory

### Subject: Customer Advisory – Suspension of Lithium Battery Shipments During Summer Months

Dear Valued Customers,

To ensure the highest standards of safety and risk management during the peak summer months, please be advised that the carriage of standalone lithium batteries will be **temporarily** suspended across all services.

This suspension applies to the following UN numbers, whether declared as **Dangerous Goods (DG)** or handled under **Special Provision 188 (Non-DG)**:

- **UN3480** – Lithium-Ion Batteries
- **UN3090** – Lithium Metal Batteries

#### **Effective Period:**

- 01 May 2026 to 30 September 2026 (both dates inclusive)

#### **Operational Guidelines:**

- **New Bookings:** No new bookings for the above commodities will be accepted during this period.
- **Resumption of Service:** Standard acceptance policies, subject to applicable regulations and internal approvals, are scheduled to resume on **01 October 2026**.

We appreciate your understanding and cooperation in ensuring safe vessel operations.

For any clarification or shipment alternatives, please contact your local sales representative or customer service team.
